

Return and Repeat!

Return your items in the outside drop box at any time. We will quarantine everything for at least 72 hours before processing, so there will be a delay on removing items from your account. No fines will be charged— the system will check in the items for the day you returned them.

Ask us for stuff!

- 1) Put items on hold through PINES as you have done in the past. Items not in our building may take some time. OR
- 2) Fill out the request form located at <https://www.cprl.org/request> OR
- 3) Call us at 229-386-7148 and tell us what you would like - have your library card ready- and we can set you up.

Enjoy your items!

You will have a printout so you can track due dates. OR login to your library account, OR call us with your card number and we will look up your account for you.
